

APPRENTICESHIPS 2021

Supported by

TEES VALLEY MAYOR

TEES VALLEY
LEARNING PROVIDER NETWORK

TEES VALLEY MAYOR

Apprenticeships are a brilliant route to a rewarding career here in the Tees Valley and I am delighted you are considering this path to success.

An apprenticeship lets you earn while you learn, gaining formal qualifications while taking home money at the same time. It allows you to get the vital experience you need on a path to a rewarding career, while making sure our job creators, innovators and entrepreneurs have the skills at their disposal to succeed.

This is all the more important during these uncertain and difficult times that we have found ourselves in lately. That's why, as part of my response to the coronavirus pandemic, I made available £1 million to create and fund the wages of more than 100 apprentices to encourage businesses across the region to offer employment to more 16-20-year-olds.

Through apprenticeships, the hugely successful Routes to Work scheme,

TeesValleyCareers.com and now by helping small businesses access Government's £2billion Kickstart fund, we're giving everyone across the region – no matter their age – comprehensive help to start a rewarding career right here in the Tees Valley.

The future of our area is determined by the choices our young people make and that's why it's important for you to explore all of your options. Despite the impact of the coronavirus pandemic, it is an exciting time for the Tees Valley. Our future is bright and we've got some great companies in the area with exciting and fulfilling roles on offer.

We need to make sure our young people in Teesside, Darlington and Hartlepool are not disadvantaged – you are the workers of the future and it is one of my absolute priorities to do everything I can to support you.

I wish you the best of luck and a successful and prosperous career ahead.

Ben Houchen Tees Valley Mayor

WHAT ARE MY CHOICES?

All young people are required to participate in education until the end of the academic year they turn 18. Young people must engage in one of the following:

- An Apprenticeship
- T-levels
- A Traineeship
- Study Programme
- Full time work involving at least 280 hours of education
- Full time education including A Levels
- Home education

Apprenticeships offer the chance to learn and gain nationally recognised qualifications whilst earning a salary. As an apprentice you will be working in a real job where you will be employed by a company, have a contract of employment, get paid a salary (at the least the minimum wage for apprentices £4.15 aged under 19 or those in their first year) whilst obtaining valuable workplace skills and experience.

DIFFERENT LEVELS OF APPRENTICESHIPS AVAILABLE

INTERMEDIATE APPRENTICESHIP

- Level 2
- 12 - 18 months
- Equivalent to 5 GCSEs 4 - 9

ADVANCED APPRENTICESHIP

- Level 3
- 18 - 48 months
- Equivalent to 2 A-levels

HIGHER & DEGREE APPRENTICESHIP

- Levels 4, 5, 6, 7
- 24 months+
- Equivalent to foundation degree level+

PLUS KNOWLEDGE, COMPETENCE, AND EMPLOYABILITY SKILLS

To find out more about Higher & Degree Apprenticeship visit our website www.tvlpn.co.uk or alternatively visit www.gov.uk

ABOUT TVLPN

The Tees Valley Learning Provider Network Ltd (TVLPN) is a registered charity with over 43 members. We are dedicated to supporting learning providers and learners to achieve their potential in the field of work based learning.

TVLPN consists of local authorities, privately owned companies, colleges and national organisations. Members are engaged in the delivery of vocational and apprenticeship training leading to nationally recognised qualifications.

WHERE DO APPRENTICESHIPS LEAD?

Your current skills and qualifications will form the starting point for your Apprenticeship journey. Learners starting on an Apprenticeship level 2 can progress onto a level 3 Apprenticeship.

Some learners, depending on qualifications will commence the programme at level 3 and then they can progress onto a Higher Apprenticeship. There are plenty of options on completing an Apprenticeship programme to enter skilled employment and further training or to progress onto a Higher Apprenticeship either part time or full time.

To find out more information visit www.apprenticeships.gov.uk

HIGHER & DEGREE APPRENTICESHIPS

Higher or Degree Apprenticeships are available at levels 4-7 and they combine work with study. Typically, higher apprentices study part time at college, university or with a training provider. Apprenticeships take between one and five years to complete.

- A level 4 or 5 is equivalent to a Higher Education Certificate/Diploma or a foundation degree
- A level 6 is equivalent to a Bachelor's degree
- A level 7 is equivalent to a Master's degree

HOW TO APPLY FOR AN APPRENTICESHIP

Find the apprenticeship that's right for you – search 'find an apprenticeship' on www.gov.uk

- Click on 'Find an apprenticeship'
- Click on 'create an account' and register your details
- Don't forget to set up alerts to get notifications of apprenticeships that may interest you

Once you have created an account you are then able to start applying for an apprenticeship.

Remember:

- Ensure you have an appropriate email address and voice mail on your mobile
- Make sure you 'sell yourself' on your application form/s

The National Careers Service

The National Careers Service provide information, advice and guidance to help you make decisions on learning, training and work.

Visit our website and use our careers tools to help you with your choices on careers, training and work – nationalcareersservice.direct.gov.uk or contact 0800 100 900

COMMENTS FROM RECENT LEARNERS

Below are comments from young people who have completed their training.

It has been a brilliant 2 years for me – I have gained such valuable skills and knowledge from my workplace that I can now offer to my new employer.

CAROLINE, DARLINGTON BOROUGH COUNCIL

It is a great way to be educated whilst also gaining valuable work experience. After completing my Advanced Level Apprenticeship I am now doing a degree.

HAYLEY, SOUTH TEES HOSPITALS NHS FOUNDATION TRUST

The Learning environment is good. I would recommend to others.

KATE, SHAPE TRAINING

BL Hairdressing supported me through my Traineeship, I now have a job in a salon and completing my Apprenticeship.

BRONWYN, BL HAIRDRESSING TRAINING

I was pleased when I got employed at ALE after completing my Traineeship.

ADAM, NETA TRAINING GROUP

Traineeships

Traineeships prepare young people for their future careers by helping them to become 'work ready'. They provide essential work preparation training, English, maths and work experience needed to compete successfully for jobs, including apprenticeships, or to progress to further learning.

WHO ARE TRAINEESHIPS FOR?

Traineeships are an ideal opportunity for young people who are motivated to get a job but who lack the skills and experience that employers are looking for. Young people who have been applying unsuccessfully for apprenticeship vacancies due to a lack of skills or experience could be good candidates for a Traineeship.

ARE YOU SUITABLE FOR A TRAINEESHIP?

- Aged 16-24 and qualified below level 3
- Unemployed or work less than 16 hours per week and have little work experience
- Motivated to work

Employers are not required to pay young people taking part in Traineeships but are encouraged to support Learners with potential financial assistance such as travel costs. Bursaries are available for young people aged 16-19 on a Study Programme or Traineeship subject to eligibility.

STUDY PROGRAMMES

The Study Programme assists 16-19 year olds to gain qualifications and employability skills to progress into further education, an apprenticeship or employment.

It offers a flexible programme which may include a mix of qualifications, including English and maths for young people who have not achieved GCSE 4 - 9, and work experience.

Study programmes may be undertaken at a further education college, sixth form college or with a training provider.

For further information about Traineeships visit: www.gov.uk and search Traineeships.

T LEVELS

T Levels are an alternative to A levels, apprenticeships and other 16 to 19 courses. Equivalent to 3 A levels, a T Level focuses on vocational skills and can help students into skilled employment, higher study or apprenticeships.

T Level students spend 80% of the course in the classroom, learning the skills that employers need. The other 20% is a meaningful industry placement, where they put these skills into action.

For further information please visit www.tlevels.gov.uk
